* The 2.49% APR promotional rate requires an automatic debit from a Woodsboro Bank checking account. Without a qualifying automatic debit, the promotional rate is 2.74% APR. An initial \$10,000 draw is required at loan closing. After the six month promotional period, the Annual Percentage Rate (APR) will vary with Prime Rate as published in the Wall Street Journal. The maximum APR is 24% and the minimum APR is 4%. Your rate and terms may differ based on your combined loan to value and credit worthiness. Rates are subject to change.
